What is Professional Agile Leadership - Essentials

This Professional Agile Leadership™ Essentials (PAL-E) is a 2 day training\workshop that provides a foundation for the role that leaders play in creating the conditions for a successful agile transformation. The training/workshop is a unique mix of theory & practice, optimized for the best learning experience. This official scrum.org training helps you prepare for the PAL I -certification. At the end of the training, you will receive a voucher for this certification exam.

Who should attend Professional Agile Leadership - Essentials

This training is aimed at leaders who are involved in the adoption of Agility in their organization:

- Managers who are responsible for one/more Scrum teams
- Scrum Masters and Product Owners
- Managers or leaders who are responsible for developing people in the Scrum teams (HR/PMO managers)
- Senior Executives who act as a sponsor for the Agile transformation and want to know how to develop the leadership for the Agile transformation

Prerequisites

Participants can get the best results from this training if they:

Know the Scrum Guide

Pass the (free to take) Scrum Open Assessment

Having good prior knowledge of the Scrum Framework

Have experience with leading Scrum teams

Have read a book written by Ken Schwaber

Objectives

After this training, leaders will understand more about how Agile can add value to their organization and how they can provide support for creating a successful Agile culture.

Participants will be prepared to lead Agile teams and remove obstacles to more mature Agile teams:

- Professional introduction of Agile and connecting Agile with the most important business objectives
- Insight into a model for growth into a mature Agile organization
- Understand how Agile principles and values can lead to better results and solve organizational challenges
- Understand what is needed to create an Agile culture, focused on continuous improvement and delivering value
