What is BiSL® Foundation training including exam voucher

Most companies spent a lot of money and time on IT. BiSL® can help to improve business processes and the alignment of business and IT. So BiSL helps you to make more money in the business processes and spend less on IT.

After this training you understand the Business Information Services Library (BiSL®) process framework for business information management. You know the BiSL® framework, encompassing the best way to manage and execute business information management in day-to-day practice, and you are able to use BiSL® to improve business processes and the alignment of business and IT.

At the end of this training course the participants will be prepared for the official BiSL® Foundation exam.

This training includes a voucher for the official, internationally recognized exam.

The costs of the exam voucher are included in the price of the training. Shortly after the start of the training you will receive a voucher with which you can reserve your exam.

You can make a reservation for one of our exam days or book an online exam at a time and place of your choice. Bear in mind that you must plan your exam at least 5 working days in advance.
