

PRINCE2® Practitioner - Exam

AA Exam English

Training code	CGAPRI-PPE
Spoken Language	English
Language Materials	English
Price	€390,00 excl. VAT No extra costs.

What is PRINCE2® Practitioner - Anytime Anyplace Exam (including e-preparation)

This exam is a logical continuation of the Prince2® Practitioner training. When you succeed, you will receive the PRINCE2® Practitioner certificate. The exam training consists of answering practice exam questions via an online environment.

The PRINCE2® Practitioner training must be followed in advance. The exam will take place at Capgemini Academy, or at a location and time that suits you best if you choose the Anytime Anyplace variant.

All facilities for the physical exam are provided by us. Our supervisor will ensure that the exam is completed in a correct manner. During the training you will get information about the content and the layout of the exam, if you want to know more about it, look at the Axelos website.

Who should attend PRINCE2® Practitioner - Anytime Anyplace Exam (including e-preparation)

This exam preparation with exam is aimed at those pursue the PRINCE2® Practitioner certificate. It is open for candidates that have attended the training PRINCE2® Practitioner at Capgemini Academy.

To take the PRINCE2 6th edition Practitioner examination you must provide proof of having passed one of the following:

- PRINCE2 Foundation (or higher) - this only applies to certificates obtained after 1 January 2009
- Project Management Professional (PMP)
- Certified Associate in Project Management (CAPM)
- IPMA Level A® (Certified Projects Director)
- IPMA Level B® (Certified Senior Project Manager)
- IPMA Level C® (Certified Project Manager)
- IPMA Level D® (Certified Project Management Associate).

For more information on the PRINCE2® certifications, please visit the Axelos website. You should register at least 5 working days prior to the exam. Please refer to our exam page for details.

Prerequisites

Pay attention! This is an anytime anyplace exam. In order to successfully complete the exam, you, your computer and your workplace must meet various conditions. You need to be able to install some things on your PC, you need a good webcam and microphone and your network has to be of sufficient quality. You also need a quiet room where you cannot be disturbed. If you need help, a help desk from the exam institute is available for you. This help desk is available 24/7, but is in English. If you do not meet these conditions, there is a possibility that your exam cannot be started or will be rejected later. For the exact conditions, see the description on our website: <http://academy.capgemini.nl/thema/examens> If you cannot meet these possible preconditions, then there is also an alternative available. You can also take the exam at our office in Utrecht.

Objectives

Pass the PRINCE2 Foundation exam.

About Capgemini Academy

Capgemini Academy's professionals offer what people in IT need. Our professionals have a keen eye for motivation, talent and are aware of specific contexts and circumstances. They move people to move. Programmes and courses that originate from daily experience of our both didactical and substantively strong trainers, light a fire within the individual IT professionals. Real life stories of our professionals' experience that tell how to solve problems and work with the people around it, do the rest.

An organization, like ours, helps people and their organizations day by day to get the best out of themselves and each other. We prepare them to defy tomorrow's challenges. We stimulate learning and curiosity. In order for individual IT professionals and their employers, to build better, longer and more intensive relationships. For mutual benefit.

Capgemini Academy. We transform IT professionals
