What is From wish to reality

How do you turn your wishes into reality? Many wishes and goals remain unfulfilled because we have limiting beliefs that hold us back. By consciously following Marinus Knoope's 12-step plan "From Wish to Reality," you'll learn how to transform your wishes from mere dreams into achievable realities.

If you want to make your wishes and goals come true, make an impact, and create, it's important to give enough attention to every step in the creation process. In this interactive and inspiring training, you'll personally go through all 12 steps of the creation spiral. By the end of the session, you'll have insight into what you can do to turn your wishes into reality and increase your impact

Who should attend From wish to reality

- Aspiring Entrepreneurs: Individuals looking to turn their business ideas into reality.
- Project Managers: Professionals aiming to enhance their project execution skills.
- Team Leaders: Leaders who want to inspire and guide their teams more effectively.
- Personal Development Enthusiasts: Anyone interested in personal growth and achieving their dreams.
- Creative Professionals: Artists, writers, and other creatives seeking a structured approach to realize their visions.
- Career Changers: Individuals planning to transition into new career paths.
- Students: Young adults preparing to enter the professional world with clear goals.
- Coaches and Mentors: Professionals who guide others in achieving their personal and professional goals.
- Innovators: People involved in developing new products or services.
- Organizational Leaders: Executives and managers looking to foster a culture of innovation and goal achievement.

Consultants: Consultants looking to achieve their goals.

academy

About Capgemini Academy

Capgemini Academy's professionals offer what people in IT need. Our professionals have a keen eye for motivation, talent and are aware of specific contexts and circumstances. They move people to move. Programmes and courses that originate from daily experience of our both didactical and substantively strong trainers, light a fire within the individual IT professionals. Real life stories of our professionals' experience that tell how to solve problems and work with the people around it, do the rest.

An organization, like ours, helps people and their organizations day by day to get the best out of themselves and each other. We prepare them to defy tomorrow's challenges. We stimulate learning and curiosity. In order for individual IT professionals and their employers, to build better, longer and more intensive relationships. For mutual benefit.

Capgemini Academy. We transform IT professionals
