What is Agile Project Management (AgilePM®) Foundation - Anytime AnyPlace Exam

The Agile Project Management Foundation® exam is the logical follow-up to the Agile Project Management Foundation® training.

The exam consists of 50 multiple choice questions. You have 40 minutes to answer these questions. The exam is in English and you may not consult any sources during the exam. If English is not your first language, you will get 25% extra time. When you pass the exam you will receive the Agile Project Management Foundation® certificate.

Who should attend Agile Project Management (AgilePM®) Foundation - Anytime AnyPlace Exam

The exam is intended for anyone who has followed the Agile Project Management Foundation® training and wants to be able to demonstrate that they have mastered the material.

If you want to take both the Foundation and the Practitioner exam, we advise you to take both exams after you have completed both the Foundation and the Practitioner training. If you want, you can take both exams on one day.

Please note: this exam is part of the training and the manual version 2.0.

Prerequisites

You must have completed the Agile Project Management course at Capgemini Academy prior to this exam. You have received all the required knowledge for this exam during that course.

About Capgemini Academy

Capgemini Academy's professionals offer what people in IT need. Our professionals have a keen eye for motivation, talent and are aware of specific contexts and circumstances. They move people to move. Programmes and courses that originate from daily experience of our both didactical and substantively strong trainers, light a fire within the individual IT professionals. Real life stories of our professionals' experience that tell how to solve problems and work with the people around it, do the rest.

An organization, like ours, helps people and their organizations day by day to get the best out of themselves and each other. We prepare them to defy tomorrow's challenges. We stimulate learning and curiosity. In order for individual IT professionals and their employers, to build better, longer and more intensive relationships. For mutual benefit.
