What is IPMA-B Assessment preparation

You are an experienced project manager and have proven experience in complex projects. You want to prove this with an internationally recognized certificate. IPMA Level B is the certificate that you are looking for. Capgemini Academy offers you a complete individual guidance to achieve this certification.

The aim of the Assessment prep is to successfully complete the 4 phases of the IPMA level B certification process: assessment of the professional experience, theory exam prep, report assessment and assessment interview prep.

The assesment is not included in this training. Do you want to do the assesmentbook it via IPMA Nederland.website.

Who should attend the IPMA-B Assessment preparation

This guidance is aimed at project managers and project managers who meet the requirements for Certified Senior Project Manager (IPMA Level B). You should have at least 5 years project management experience, including 3 years as a project manager in charge of complex projects. It is expected of you that you have the competencies as defined for IPMA -B. The IPMA Level C or IPMA Level D certifications are not a pre-requisite for this training.

Prerequisites

You must have at least 5 years of project management experience, including 3 years as a responsible project manager for complex projects. You are expected to have the competences as defined for IPMA-B. You do not have to have an IPMA level C or IPMA level D certificate.

Objectives

The aim of the guidance is to successfully complete the 4 phases of the IPMA level B certification process:

assessment experience, theory exam, report and assessment interview.
