What is Management of Risk (M_o_R®) Foundation - Anytime AnyPlace Exam

This exam is a logical continuation of the course Management of Risk (M_o_R®) Foundation. When you succeed, you get the M_o_R Foundation certificate.

You must have previously followed the training Management of Risk (M_o_R®) Foundation. In our training you get information about the content and structure of the exam.

You must register yourself at least five working days before the exam date.

More about our exams and exam formats can be found at [exam page](#).

Who should attend Management of Risk (M_o_R®) Foundation - Anytime AnyPlace Exam

Anyone who has followed the Management of Risk (M_o_R®) Foundation training by Capgemini can achieve this exam.

Prerequisites

You must have followed the Management of Risk (M_o_R®) Foundation training in advance.

Pay attention! This is an anytime anyplace exam. To be able to take the exam successfully, you, your computer and your workplace must meet various conditions. Among other things, you need to be able to install a few things on your PC, you must have a good webcam and microphone, and your network must be of sufficient quality. You also need a quiet room where you cannot be disturbed. If you need help, a help desk from the exam institute is available for you. This help desk is available 24/7, but is in English. If you do not meet these conditions, there is a possibility that your exam cannot be started or will be rejected later. For the exact conditions, see the description on our website: <http://academy.capgemini.nl/thema/examens> If

you cannot meet these possible preconditions, then there is also an alternative available. You can also take the exam at our office in Utrecht.

Objectives

Obtain the M_o_R Foundation certificate.

About Capgemini Academy

Capgemini Academy's professionals offer what people in IT need. Our professionals have a keen eye for motivation, talent and are aware of specific contexts and circumstances. They move people to move. Programmes and courses that originate from daily experience of our both didactical and substantively strong trainers, light a fire within the individual IT professionals. Real life stories of our professionals' experience that tell how to solve problems and work with the people around it, do the rest.

An organization, like ours, helps people and their organizations day by day to get the best out of themselves and each other. We prepare them to defy tomorrow's challenges. We stimulate learning and curiosity. In order for individual IT professionals and their employers, to build better, longer and more intensive relationships. For mutual benefit.

Capgemini Academy. We transform IT professionals
