# ISTQB Foundation training including exam voucher

### Partner Training

Training code	SOGISTQFCD
Spoken Language	Dutch
Language Materials	English
Dayparts	6
Price	€1.800,00 excl. VAT No extra costs.

#### What is ISTQB Foundation

During this three-day training you will become acquainted with the concepts and principles of ISTQB®. The theory is alternated with individual assignments and group assignments.

The following topics are covered during the training:

- Framework and importance of testing;
- Testing in the life cycle of software;
- Static testing;
- Test design techniques;
- Test approach and test strategy;
- Test organization;
- Tool support for testing.

#### Who should attend ISTQB Foundation

The ISTQB Foundation in software testing certification is interesting if you want to get a formal certification as a professional tester.

The certification also offers good qualifications for builders, designers, business analysts, programmers and project managers.

Participant benefit more from this training when they are familiar with structured testing such as TMap® Suite / Next or a similar method.

At the end of the training you are familiar with the importance of testing, the various test objectives, a number of test techniques and you have knowledge of test organization and test infrastructure. This training is delivered by Sogeti Academy.

## academy
