What is P30® Foundation

Projects, programs and portfolios are a growing part of the activities in an organization. An overview of these changes is therefore increasingly important.

With P30® your organization is able to structure around all change initiatives in such a way that result, overview and insight is optimized. P30® provides resources for the establishment of a Center of Excellence, to facilitate effective and fast decision-making and for the establishment of effective support of the Change Delivery.

The Portfolio, Programme and Project Office (P3O) is an integrated framework with the other Axelos methodology and models for project and program management such as PRINCE2® and MSP® and Management of Risk®. During the training you will learn the basics for setting up and configuration of a P3O and will prepare you for the P3O Foundation exam.

This training includes a voucher for the official, internationally recognized exam.

The costs of the exam voucher are included in the price of the training. Shortly after the start of the training you will receive a voucher with which you can reserve your exam.

Bear in mind that you must plan your exam at least 5 working days in advance.
