P3O® is the Axelos standard for the establishment of decision-making processes regarding changes in organizations. P3O® provides a guideline for the design of portfolio, program and project offices in organizations.
Have you obtained the P3O® Foundation qualification and do you have knowledge and experience of setting up and/or working with P3 Offices? If so, you can follow the training with the aim of applying this knowledge in your daily work and preparing yourself for the P3O® Practitioner Exam.
During the training we cover the main topics thoroughly, and we practice exam questions (Objective Test) from the P3O® Practitioner exam. In the training, focus will be on the use of the P3O® knowledge. It helps to increase your understanding if you bring your own examples to be analyzed.
This training includes a voucher for the official, internationally recognized exam.
The costs of the exam voucher are included in the price of the training. Shortly after the start of the training you will receive a voucher with which you can reserve your exam.
