What is Java SE 8 Oracle Certified Associate exam training

You already have knowledge of Java at Oracle Certified Associate level and now you want to take an exam? You want to know to do that?

This training prepares you for the exam for the world-renowned Oracle Certified Associate, Java SE 8 Programmer (OCAJP 8) certificate.

Training starts with half a day in which you make the first mock exam under supervision. You learn how to tackle taking the exam best. After the first half-day, a period of 12 half-day tutorial sessions follows, which includes mock exams with examtraining software. During the last afternoon of the training it is time for the the finishing touche and you can pose the final questions.

You get access to a mock exam trainer including 7 mock exams. We encourage you to use the book "OCA: Oracle Certified Associate Java SE 8 Programmer I Study Guide" by Jeanne Boyarsky and Scott Selikoff (ISBN 978-1118957400). This book you have previously received if you have followed the training for this exam: Java SE 8 Oracle Certified Associate training.
