What is BABOK® ECBA examtraining

You want insights into the BABOK™ elements like Key Concepts, Knowledge Areas, Tasks, Techniques and Underlying Competencies. And you want to show you already possess the required basic knowledge. This exam training enables you to pass the IIBA® ECBA™ Entry Certificate in Business Analysis™ exam, through practical assignments and exam practice questions.

In this training, we briefly indicate the place of the ECBA™ certification in relation to other IIBA® certifications. We discuss the structure of the BABOK™ Guide and the BABOK-elements that are most important for the exam. You get familiar with the requirements IIBA® wants ECBA™ candidates to meet. An important part of this course consists of practicing exam questions.

This training is based on the BABOK™ v3 guide. Participants may expect about 20 hours of self-study. The exam can be booked separately at IIBA.

Who should attend BABOK® ECBA examtraining

This training is especially intended for anyone who has little or no experience in / with Business Analysis. In addition, this training is also intended for anyone who wishes to demonstrate his / her knowledge of the BABOK approach with the ECBA certificate.

This applies to anyone who has anything to do with the area of expertise. Whether you are a business analyst, project manager, product owner, architect, process designer, information analyst, system analyst, functional designer, tester, functional manager etc.

Prerequisites

None

Objectives

Prepare for the ECBA certificate
