What is Professional Scrum Product Owner - Advanced PSPO II

The role of a Product Owner is multifaceted, requiring the practitioner to engage in behaviors and adopt mindsets beyond the core of Agility and the Scrum Framework. This course surfaces these behaviors by challenging the student to adopt several different Product Owner stances. This 2-day Professional Product Owner Advanced (PSPO-A) course focuses on helping experienced practitioners expand their ability to establish a solid vision, validate their hypotheses, and ultimately deliver more value to their stakeholders. It is intended for Product Owners who are looking to grow their knowledge and abilities.

Who should attend Professional Scrum Product Owner - Advanced PSPO II

- Product Owners: Enhance your understanding of Scrum and learn advanced techniques to maximize your product's value.
- Scrum Masters: Enhance your understanding of the Product Owner role and learn how to support them effectively.
- Agile Coaches: Gain insights into the Product Owner role to better coach your teams.
- Business Analysts: Learn how the Product Owner role can enhance your ability to deliver value.
