What is CIPP/E Certified Information Privacy Professional Europe

CIPP / E is a title of the IAPP (International Association of Privacy Professionals) and is seen as the European standard in the area of privacy certification. With a CIPP certification you show that you have knowledge of both global and specific regional laws and regulations in privacy and data protection.

The CIPP / E training is fully in line with the new European Privacy Regulation GDPR / AVG. In addition, we include the invalid statement of Safe Harbor, the content of the subsequent Privacy Shield and the Dutch situation (Wbp, Compulsory Data Leaks Act) in the course.

The CIPP / E training deals with global privacy and data protection principles and approaches plus themes such as online privacy, types of data and jurisdiction, but the emphasis is on the European context and local laws and regulations.

Who should attend CIPP/E Certified Information Privacy Professional Europe

This training is ideal for anyone who wants to achieve the CIPP / E certification and especially for people who work in a role like:

- Chief Privacy Officers (CPOs),
- Information Managers,
- Privacy Professionals,
- Legal Compliance Officers,
