What is Professional Agile Leadership - Essentials

The Professional Agile Leadership™ Essentials (PAL-E) is a two-day workshop that lays the groundwork for leaders to shape the conditions for a successful agile transformation. This workshop is a unique blend of theory and practice, designed for optimal learning. This official scrum.org training prepares you for the PAL I certification. Upon completion of the training, you will receive a voucher for this certification exam.

Who should attend Professional Agile Leadership - Essentials

- Agile Leaders: Anyone (managers\leaders, HR, etc) responsible for guiding Agile teams to a high level of autonomy and self-management.
- Scrum Masters: Enhance your understanding of Agile and how to implement it at a team level.
- Product Owners: Understand how Agile can improve product development processes.

Prerequisites

There are no specific prerequisites for this course. However, a basic understanding of Agile methodologies will be beneficial.

Objectives

At the end of the training, you will be able to:

- Understand more about how Agile can add value to your organization and how you can support a successful Agile culture.
- Be prepared to lead Agile teams and remove obstacles to more mature Agile teams.

academy

- Professionally introduce Agile and connect Agile with the most important business objectives.
- Gain insight into a model for growth into a mature Agile organization.
- Understand how Agile principles and values can lead to better results and solve organizational challenges.
- Understand what is needed to create an Agile culture, focused on continuous improvement and delivering value.

About Capgemini Academy

Capgemini Academy's professionals offer what people in IT need. Our professionals have a keen eye for motivation, talent and are aware of specific contexts and circumstances. They move people to move. Programmes and courses that originate from daily experience of our both didactical and substantively strong trainers, light a fire within the individual IT professionals. Real life stories of our professionals' experience that tell how to solve problems and work with the people around it, do the rest.

An organization, like ours, helps people and their organizations day by day to get the best out of themselves and each other. We prepare them to defy tomorrow's challenges. We stimulate learning and curiosity. In order for individual IT professionals and their employers, to build better, longer and more intensive relationships. For mutual benefit.

Capgemini Academy. We transform IT professionals
