## What is Java 8 Advanced including OCP exam voucher

This training is a personal certification training where self-study and personal study guidance are combined.

In this training you will start learning the content by yourself. The trainer is available for 15 hours to give explanations, answer your questions, or provide other personal support that you need.

Together with the trainer you can schedule appointments. In this manner, you can learn at your own pace and you will follow an approach that fits with your preferences. The process starts with an introduction in which your wishes and preferences are discussed. A study plan is made during this introduction as well. This way you know what you can expect. Of course, if necessary and in consultation, the study plan can be adjusted.

This training includes:

The OCP book: Java OCP 8 Programmer II Study Guide

Enthuware practice exams

An exam voucher

## About Capgemini Academy

Capgemini Academy's professionals offer what people in IT need. Our professionals have a keen eye for motivation, talent and are aware of specific contexts and circumstances. They move people to move. Programmes and courses that originate from daily experience of our both didactical and substantively strong trainers, light a fire within the individual IT professionals.

Real life stories of our professionals' experience that tell how to solve problems and work with the people around it, do the rest.

An organization, like ours, helps people and their organizations day by day to get the best out of themselves and each other. We prepare them to defy tomorrow's challenges. We stimulate learning and curiosity. In order for individual IT professionals and their employers, to build better, longer and more intensive relationships. For mutual benefit.

Capgemini Academy. We transform IT professionals
