What is Scrum Developer including PSD exam voucher

The Professional Scrum Developer training is a virtual training that takes place in a group. In two sessions (3 hours each) the needed theory for the PSD certificate will be covered. In the next week, you will prepare for the exam through self study. The training will close with a final session of 3 hours in which you will be prepared for the exam. Subsequently, you can take the exam individually to acquire the wanted PSD certification.

This training is including exam.

Who should attend Scrum Developer including PSD exam voucher

This training focuses on people who already have worked in software development for some time and now want to certify as Professional Scrum Developer to work (more) effective in a Scrum team.

About Capgemini Academy

Capgemini Academy's professionals offer what people in IT need. Our professionals have a keen eye for motivation, talent and are aware of specific contexts and circumstances. They move people to move. Programmes and courses that originate from daily experience of our both didactical and substantively strong trainers, light a fire within the individual IT professionals. Real life stories of our professionals' experience that tell how to solve problems and work with the people around it, do the rest.

An organization, like ours, helps people and their organizations day by day to get the best out of themselves and each other. We prepare them to defy tomorrow's challenges. We stimulate learning and curiosity. In order for individual IT professionals and their employers, to build better, longer and more intensive relationships. For mutual benefit.
