What is AWS Business Essentials (AWSBE)

AWS Business Essentials helps IT business decision makers understand the benefits of cloud computing and how a cloud strategy can help you meet your business objectives. In this course we discuss the advantages of cloud computing for your business and the fundamentals of AWS, including financial benefits. This course also introduces you to successful cloud adoption frameworks so to help you consider the AWS platform within your cloud computing strategy.

This course is designed to teach you how to:

- Identify the value and benefits of the AWS cloud
- Recognize the valuable ways that the AWS platform can be used
- Understand the robust security capabilities, controls, and assurances in place to maintain security and data protection
- Articulate the financial impact the AWS cloud can have on an organization's procurement cycle, cost management, and contracts, while minimizing risks associated with consumption-based pricing models

Who should attend AWS Business Essentials (AWSBE)

This course is intended for:

- IT Business Decision-Makers
- Individuals who are new to working with AWS

We recommend that attendees of this course have the following prerequisites:

- Working knowledge of IT infrastructure concepts

About Capgemini Academy

Capgemini Academy's professionals offer what people in IT need. Our professionals have a keen eye for motivation, talent and are aware of specific contexts and circumstances. They move people to move. Programmes and courses that originate from daily experience of our both didactical and substantively strong trainers, light a fire within the individual IT professionals. Real life stories of our professionals' experience that tell how to solve problems and work with the people around it, do the rest.

An organization, like ours, helps people and their organizations day by day to get the best out of themselves and each other. We prepare them to defy tomorrow's challenges. We stimulate learning and curiosity. In order for individual IT professionals and their employers, to build better, longer and more intensive relationships. For mutual benefit.
