Price	€700,00 excl. VAT No extra costs.

What is Intercultural awareness

In today's globalized world, we are increasingly interacting with individuals from various cultural backgrounds. This training will equip you with the knowledge to understand and navigate these cultural differences. We will explore Erin Meyer's 8 cultural dimensions and discuss how these differences can impact collaboration. Participants will be encouraged to share their own experiences and learn from others. The focus of this training is on understanding cultural differences and developing intercultural competencies to enhance your effectiveness in a multicultural environment.

Who should attend Intercultural awareness

For every professional who wants to get the best out of themselves and others every day, such as:

- Project Managers: Managing diverse teams and coordinating with international clients.
- Sales Representatives: Interacting with customers from various cultural backgrounds.
- HR Professionals: Managing diversity and inclusion in the organization.
- Marketing Professionals: Creating campaigns that resonate with a diverse audience.
- Customer Service Representatives: Providing support to customers worldwide.
- Consultants: Interacting with team members and customers from various cultural backgrounds.

And anybody that is interested in cultural differences.

Prerequisites

No specific prerequisites. However, an open mind and willingness to learn about different cultures will be beneficial.

Objectives

At the end of the training, you will be able to:

academy

- Understand how cultural differences can impact work and collaboration.
- Apply strategies to navigate these differences effectively.

About Capgemini Academy

Capgemini Academy's professionals offer what people in IT need. Our professionals have a keen eye for motivation, talent and are aware of specific contexts and circumstances. They move people to move. Programmes and courses that originate from daily experience of our both didactical and substantively strong trainers, light a fire within the individual IT professionals. Real life stories of our professionals' experience that tell how to solve problems and work with the people around it, do the rest.

An organization, like ours, helps people and their organizations day by day to get the best out of themselves and each other. We prepare them to defy tomorrow's challenges. We stimulate learning and curiosity. In order for individual IT professionals and their employers, to build better, longer and more intensive relationships. For mutual benefit.

Capgemini Academy. We transform IT professionals
