What is COBIT® 2019 Foundation - Anytime AnyPlace Exam

This exam is a logical continuation of the COBIT 2019 Foundation course. If you succeed, you will receive the COBIT 2019 Foundation certificate from ISACA. In our training you will receive information about the content and design of the exam.

You must register at least 5 working days before the exam date.

You can read more about our exams and exam forms on our exam page.

Who should attend COBIT® 2019 Foundation - Anytime AnyPlace Exam

Anyone who has followed the COBIT 2019 Foundation training through Capgemini Academy can book this exam

Prerequisites

You must have completed the COBIT® 2019 Foundation course at Capgemini Academy prior to this exam. You have received all the required knowledge for this exam during that course.

Pay attention! This is an anytime anyplace exam. In order to successfully complete the exam, you, your computer and your workplace must meet various conditions. You need to be able to install some things on your PC, you need a good webcam and microphone and your network has to be of sufficient quality. You also need a quiet room where you cannot be disturbed. If you need help, a help desk from the exam institute is available for you. This help desk is available 24/7, but is in English. If you do not meet these conditions, there is a possibility that your exam cannot be started or will be rejected later. For the exact conditions, see the description on our website: <http://academy.capgemini.nl/thema/examens> If you cannot meet these possible preconditions, then there is also an alternative available. You can also take the exam at our office in Utrecht.

About Capgemini Academy

Capgemini Academy's professionals offer what people in IT need. Our professionals have a keen eye for motivation, talent and are aware of specific contexts and circumstances. They move people to move. Programmes and courses that originate from daily experience of our both didactical and substantively strong trainers, light a fire within the individual IT professionals. Real life stories of our professionals' experience that tell how to solve problems and work with the people around it, do the rest.

An organization, like ours, helps people and their organizations day by day to get the best out of themselves and each other. We prepare them to defy tomorrow's challenges. We stimulate learning and curiosity. In order for individual IT professionals and their employers, to build better, longer and more intensive relationships. For mutual benefit.

Capgemini Academy. We transform IT professionals
