What is Speakers Track

Why follow the 'Speakers Track'?

You have the opportunity to choose à la carte a number of training sessions, which are all relevant towards owning your stage with confidence and authenticity, online or offline.

Presenting professionally - Fundamentals

- Presenting professionally - Advanced
- Performance coaching - 1-on-1 coaching on every level on request
- Make an impact with your Why
- Storytelling

On request and in consultation, the program can be expanded with customized training and supervision for groups.

Who should attend Speakers Track

For professionals, who want to present with confidence, conviction and authenticity and who want to build and improve their presentation skills and podium presence.

Do you have the ambition to become a Microsoft or Mendix MVP, Java Champion or AWS Hero? Then this track will be a great stepping stone, that is going to help you with your personal branding and your ability to present with impact.

In addition these trainings are educational for people who struggle with nerves or tension when presenting or speaking in public.

Prerequisites

Some experience for Presenting professionally - Fundamentals can be helpful, but not required.

Attention: Presenting professionally - Advanced requires experience!

academy

About Capgemini Academy

Capgemini Academy's professionals offer what people in IT need. Our professionals have a keen eye for motivation, talent and are aware of specific contexts and circumstances. They move people to move. Programmes and courses that originate from daily experience of our both didactical and substantively strong trainers, light a fire within the individual IT professionals. Real life stories of our professionals' experience that tell how to solve problems and work with the people around it, do the rest.

An organization, like ours, helps people and their organizations day by day to get the best out of themselves and each other. We prepare them to defy tomorrow's challenges. We stimulate learning and curiosity. In order for individual IT professionals and their employers, to build better, longer and more intensive relationships. For mutual benefit.
