What is TOGAF® 9 Training: Level 1 Foundation

Do you want to achieve a basic understanding of the architecture Framework of The Open Group for your daily work, including certification? Or do you want a stepwise approach to achieve the TOGAF certified level? This TOGAF Foundation training provides you with the necessary knowledge and understanding of the TOGAF Standard, Version 9.2 to pass the level 1 exam and to understand how it will affect your day-to-day work.

At the end of this training course you have the knowledge and insight to understand how the TOGAF Standard, Version 9.2 will affect your daily work and to pass the exam for TOGAF at Foundation level. The cost for the exam is part of the total cost of training.

Who should attend TOGAF® 9 Training: Level 1 Foundation

This course is suited for anyone who wants to know more about the TOGAF Standard, Version 9.2 or is pursuing certification in TOGAF at Foundation level.

Before the start of this training course you will need about 8 hours of preparation and study. Between the first and second training day, you need another 4 hours to prepare for the exam. With this training, an exam voucher is included. You will do the exam at a Pearson Vue exam centre, time and location can be booked via Pearson Vue.

For an optimal effect of this course some experience in business administration is essential.

This training course is accredited by The Open Group. The exam is part of this training course. After passing the examination at the end of the course, you will be registered in the Open Group. The exam language is English. If English is your second language, you will be granted extra time to answer the exam questions.
