What is DevOps Xperience

The DevOps Xperience is an engaging Lego game that provides participants with a hands-on opportunity to learn about DevOps. Over several sprints, teams collaborate to build a zoo complete with animals, enclosures, and facilities. The game incorporates all Scrum events and is guided by a Product Owner who seeks to maximize value. After the game, participants reflect on their experiences, align them with theoretical concepts, and consider their own professional situations.

Who should attend DevOps Xperience

- Software Developers: Gain practical insights into DevOps practices and Scrum events.
- Product Owners: Learn how to maximize value in a DevOps environment.
- Scrum Masters: Understand the role of Scrum in DevOps.
- Project Managers: Get a hands-on experience of working with a DevOps team.
- IT Professionals: Broaden your understanding of DevOps practices.

Prerequisites

No specific prerequisites. A basic understanding of software development processes is beneficial.

Objectives

At the end of the training, you will be able to:

- Understand the core principles of DevOps.
- Gain insights into Scrum events within a DevOps context.
- Reflect on your own professional situation in relation to DevOps practices.
