What is Lean Six Sigma Yellow Belt e-learning

During this Lean Six Sigma Yellow Belt e-learning you will learn the theory and practice it during exercises to solve non-complex problems in a structural manner. In general, we tend to solve problems quickly, but we do not check if the problem is really solved. This firefighting results in a quick restart of the process, but the problem often returns.

During this training you will learn how to really solve problems, make processes more Efficient and more effective. This will result in doing more with the same amount of people without working harder, by working smarter.

Who should attend Lean Six Sigma Yellow Belt e-learning

The Lean Six Sigma Yellow Belt e-learning is suitable for:

- Starters at the beginning of their career,
- Anybody working in a Lean or Lean Six Sigma (LSS) organization or in a LSS project or is going to participate in a LSS project,
