What is Sustainability awareness

Welcome to the training that will deepen your understanding of sustainability, empowering you to become a catalyst for change.

Explore theories and frameworks such as the Sustainable Development Goals, Planetary Boundaries, the Doughnut Model, carbon emissions, SBTi and Net Zero, legislation, reporting requirements, and market trends like the circular economy. Join us as we unravel the mysteries and complexities of sustainability, equipping you with the knowledge to make a meaningful impact in a world that urgently requires it.

Topics:

- The sustainable development goals
- Planetary boundaries
- The Doughnut model
- The 3 scopes of carbon emission
- Sbti and Net Zero
- Legislation and reporting requirements
- Market trends like the circular economy

Who should attend Sustainability awareness

This entry level training is intended for professionals of all levels of an organizations regardless of their roles.

Prerequisites

For this training, no specific prerequisite knowledge is required.

Objectives

With this training we create a more sustainable future by fostering awareness, knowledge, and actionable

strategies among the participants.

To create awareness about the underlying theories that make up most of the challenges around sustainability our society is facing.

About Capgemini Academy

Capgemini Academy's professionals offer what people in IT need. Our professionals have a keen eye for motivation, talent and are aware of specific contexts and circumstances. They move people to move. Programmes and courses that originate from daily experience of our both didactical and substantively strong trainers, light a fire within the individual IT professionals. Real life stories of our professionals' experience that tell how to solve problems and work with the people around it, do the rest.

An organization, like ours, helps people and their organizations day by day to get the best out of themselves and each other. We prepare them to defy tomorrow's challenges. We stimulate learning and curiosity. In order for individual IT professionals and their employers, to build better, longer and more intensive relationships. For mutual benefit.

Capgemini Academy. We transform IT professionals
